

Key Points:

Background

- Republican extremists Erica Neely is running for Nevada’s 9th Assembly District. Neely has twice run for public office before, finishing fourth in the 2022 Clark County District F Primary and narrowly losing the 2024 general election for AD9 by less than 1,000 votes. Neely is a Trump-loyalist and has been endorsed in 2026 by Governor Joe Lombardo.

Extremist Rhetoric

- Neely has said that abortion was “killing babies” and has posted anti-choice graphics on her social media and has proudly touted her positions of opposing common sense reproductive healthcare.
- Erica Neely has routinely engaged and promoted extremists’ rhetoric on her social media profiles. Neely engages in standard far right culture war issues, such as promoting election denialism, targeting the LGBTQ community, and attacking CRT.
- Neely has posted things in connection with the right wing “educational” groups Moms for Liberty, including a book banning event, and My Children’s Advocate. MCA, who endorsed Neely, has said transgenderism will pave the way for pedophilia and said parents who took their children to a drag show should be charged with molestation.

ABORTION

2025: NEELY SAID THAT ABORTION WAS “KILLING BABIES”

Erica Neely ✓
@Neely4Nevada

 ...

Wait a minute.
Your statement begins with division and “MAGA allies.” Correction, lady: it’s Americans. Stop acting like regular Americans want war on anything. You’re the one declaring division and war on this issue. And by the way, abortion is killing babies.

What Bible are you reading that tells you killing is reproductive health?

We need an Attorney General who is strong, HONEST, and has the courage to stand for all.

I agree that a woman should have control over her body.

But here is the problem...

That baby? It isn't your body. It is his or her body. Yes, it is a body that is CONNECTED to your body. And yes, it RESIDES in your body.
